A vending machine is a food establishment which is a self-service device that, upon insertion of a coin, paper currency, token, card or key, dispenses unit servings of food in bulk or in packages without the necessity or replenishing the device between each vending operation. [Iowa Code section 137F.1]

A person shall not operate a food establishment (vending machine) to provide goods or services to the general public, or open a food establishment (vending machine) to the general public until the appropriate license (vending machine) has been obtained from the regulatory authority. Licenses shall expire one year from the original date of issuance and will be renewed annually. Any change in ownership requires a new license. The license is **NOT** transferable. [Iowa Code section 137F.4]

The regulatory authority reserves the right to approve, accept, disapprove, or reject this application for a reasonable period of time and attaches no legal rights or obligations to the immediate processing or your remittance.

LIST OF VENDING MACHINE LOCATIONS

Iowa Code Chapter 137F exempts vending machines which dispense only prepackages non-hazardous foods from obtaining a license. Machines which require a license are those dispensing the following items:

- 1) "Non-prepackaged food" which includes post- and pre-mix machines which serve such items as coffee, soft drinks, soup, and similar items in cups.
- 2) "Potentially hazardous food" which are food products that must be stored at or under 41F, or 140F or above.

"The operator shall...maintain within the jurisdiction of the regulatory authority a complete list of all vending machines and machine locations operated by the applicant and make the list available to the regulatory authority at the time of inspection of auditing.
